

14 May 1952

Mr. Walter R. Wolf
Deputy Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Wolf:

25X1A

[REDACTED] is leaving for Europe on Air Force orders on May 17, 1952. We have discussed with him certain documents, reports and books believed to be available in Europe which would be of value to the Psychological Strategy Board and to the Central Intelligence Agency in its relation thereto. Inasmuch as they are, for the most part, unpublished, they are not readily available, and the Board has no facilities for procurement of this nature.

We therefore ask the assistance of the Central Intelligence Agency in the procurement of the items in question. It is estimated that the cost will not exceed \$350.00 and that the procurement will have to be by negotiation, probably on a confidential basis.

Would you please inform us if you can provide us assistance in this respect.
